

Remember The Name When You Play The Game...

Basketball

Why you should consider us to help you grow.....

Our Passion

“ We know how exciting the game can be from the fast break dunk to a long range three point shot at the clutch time in the game or even the satisfaction of that defensive stop or grabbing that steal which turns the game around “

Soul Sports is passionate about Basketball that's why we have placed it at the core of our business. We cater to all, from sponsorship of teams competing in the NBL , through to sponsorship and support of state based associations, even local clubs and teams competing throughout Australia. It is also through our continued involvement and support of the development of basketball through camps that we take great satisfaction in knowledge that we have played a small part in kids all over Australia wanting to learn and embrace basketball as their chosen sport and help them grow.

What we have recognized over the past 21 years is that most suppliers of basketball uniforms promise a lot but are unable to deliver on those promises. Why? Because they don't manufacture here within Australia rather they import their uniforms from overseas so have no control over quality or delivery times until they see it and then its too late.

In contrast Soul Sports have been manufacturing in Australia since 1992 and continue to do so in our new premises which are located in Penrith just outside of Sydney in NSW..

We are proud to be producing Australian made products and want all involved with basketball or sports in general to think of Soul Sports when they are looking for uniforms & apparel for their sporting organizations.

That's why we have developed our catch cry..... ***“Remember the name when you play the game”.***

So that we can help you grow , the partnerships between your organization and Soul Sports is a vital recipe for success.

Our customers and their comments.

- Just wanted to drop you a line to say a huge thank you for assisting us with the order of the additional t-shirts for the various camps we ran over the school holidays. I know we stretched the friendship a little and we certainly appreciate you and your staff getting it all done. As usual, the kids loved the t-shirts and it was great we were able to deck all 460 campers in the shirts over the course of the various camps. Thanks again mate, we appreciate you guys going the extra mile. Lono

Just a quick note to let you know that I received the uniforms yesterday and they look terrific. We are really pleased with them and no doubt I will hear some favourable comments when they are distributed to the various team managers today in order for the teams to be playing in them this weekend. Thank you so much for all your help. You were a pleasure to deal with and nothing was any trouble to you. I will have no hesitation in recommending your Company to anyone seeking new uniforms.

Thanks again

Ballina Basketball

Hi Mark and all the wonderful staff at Soul Sports

- We can't thank you enough for the service you have given us. The fact that you delivered on time in such a short time span

was brilliant. Last night we presented our players with their new uniforms at the Annual Dinner with about 150 attending. The

comments on the design, make and quality of these uniforms was fantastic, your company should have a very good future in

the market. I know as an association Ballina will certainly be passing on your information to other associations, as well as

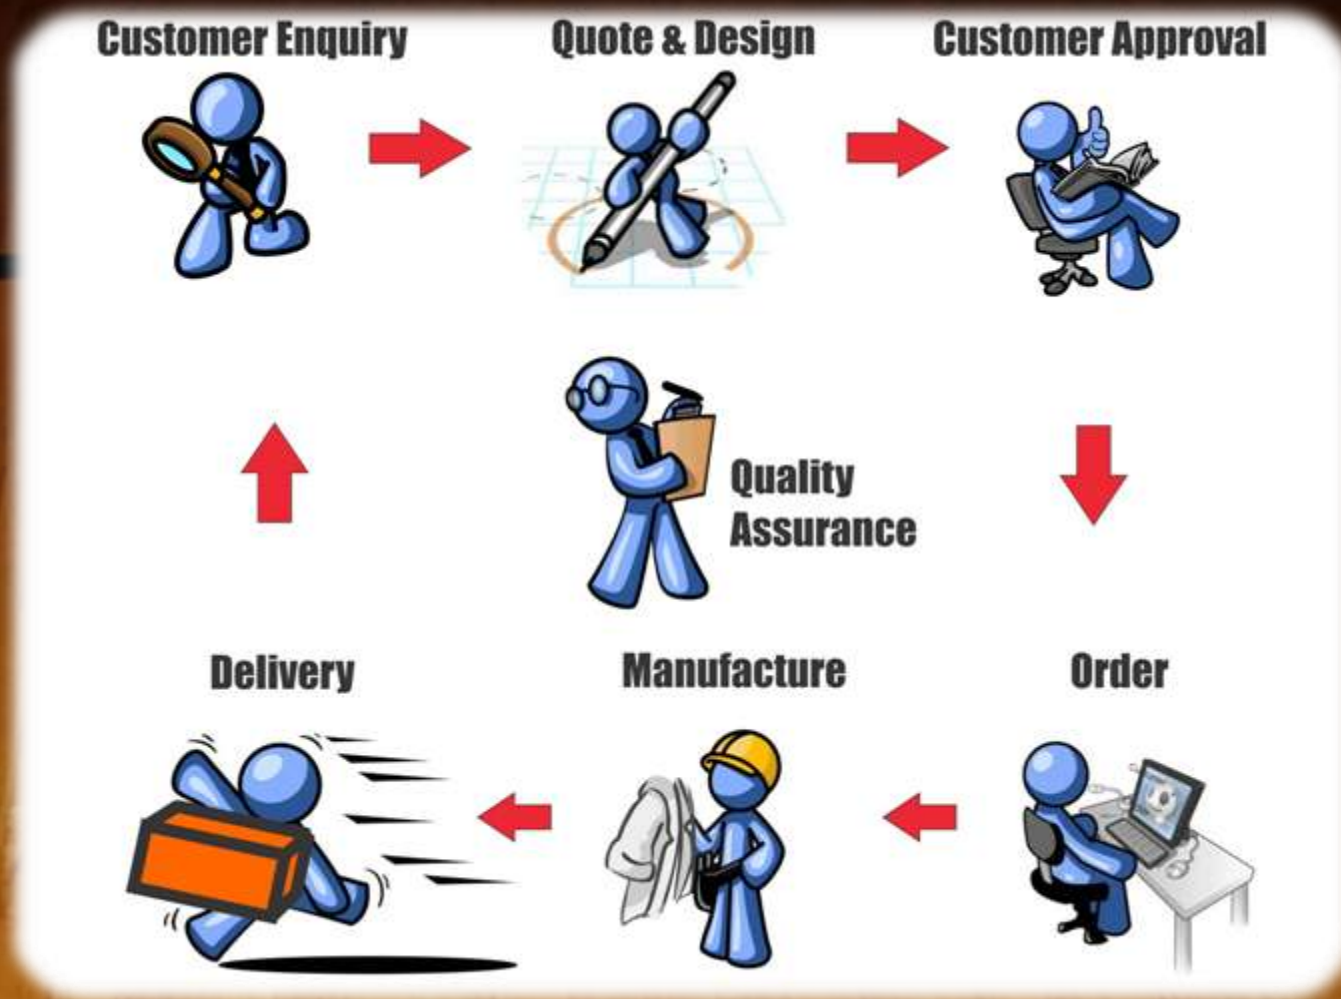

placing new orders.

Please feel free to place this on your web site.

Yours in Basketball
